UNIFORMS

All **uniforms** are purchased at the school. Some second hand uniform items are also available for purchase. Approximate cost for a Summer, Winter and Sports uniform is \$1,200.00

OTHER EXPENSES

A '**Student Personal Account**' of \$2,000.00 should also be set up to cover stationery, internet printing, school and sports trips, school camps, music tuition, speech and drama tuition, weekend outings and personal incidentals such as toiletries. If you would like the school to maintain these funds on your daughter's behalf this can be arranged. As the amount required varies with each student any unused funds will be credited to your account for the following year, or refunded for those in their last year of study.

Based on a full year's tuition

- **Tuition and Boarding fees:** Are for the full school year unless the student arrives later in the academic year (fees will be adjusted accordingly).
- **Early termination:** Where a student leaves school prior to the end of term two a refund of 50% of the Hostel and Tuition fees will be made less the cost of the recruiting agents commission. If a student leaves after the conclusion of term two, no refund of these fees will be given.
- **Airport Transfer(s):**
Auckland International to Domestic Airport: Where a student requests an escort from Auckland's International Airport Terminal to the domestic terminal a charge of \$100NZ will be made to cover the costs of an Auckland representative.
New Plymouth Airport – School: There is a charge of \$25NZ (per trip). If a number of students are being collected from the airport at the same time then this charge will be split evenly between the students travelling.
- **Uniform:** This charge will provide one full set of the school uniform (Summer & Winter) as well as a physical education uniform.
- **Stationery:** School books can be purchased at the school's stationery shop and charged to your account.
- **Examination Fees:** those students who study New Zealand qualifications will be charged an NZQA fee of **\$383.30NZ**, this money is paid to the National Qualifications Authority
- **Allowance:** An allowance should be made for pocket money. A suggested example of this would be approximately \$15NZ on weekends when staying at school, \$25NZ if going to another family at EXEAT (extended weekends) and \$125NZ per week for holidays. This allowance can be paid on to your daughters account and the Boarding House Manager will distribute appropriately (either in bulk or weekly payments). Please let the school know what your preference for payment is. Alternatively, we can deposit money directly in to your daughter's NZ Bank account (we can help them open an account) once a term.
- **Other Incidental costs:** Other expenses are incurred through the school year, for example phone calls, toiletries and bus trips, etc., these will be charged to your account.
